## Garage Sale May 28

Get your treasures ready to sell. Neighborhood garage sale is Saturday May 28 in the morning. We will put some signs out to direct traffic into the neighborhood. We know this is the holiday weekend but we have had some requests and we wanted to get it in before the 4th of July event. Now that we are on the other side

of Covid we can build this into the yearly schedule with more advance notice.

## 4th of July Parade and Potluck

Get ready for the big event. More information will follow. Watch your Facebook and Nextdoor media for additional information mid June. We are having our morning parade that leads to our potluck picnic.

## National Night Out Tuesday August 2, Food Truck

Texas typically celebrates National Night out in October but in CCOB we have adopted the official National day of the first Tuesday in August. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie. We will have a food truck at the back park dead end for the 3rd year in a row. This is a great opportunity to coordinate with your neighbors and picnic together.

## CCOB Sponsors

**Our current list of sponsors includes Mosquito Joe, Goosehead Insurance, EnergyOne, Jet's Pizza and Tammy Davison/Realtor.**

## NEWS

# What's New

### **Bulk pickup is back, YAY!**

- Bulk pickup is the week of Monday May 30.

Please wait to put your items out until no earlier than 2 weeks before the actual week. We were skipped over on the last bulk collections so you may have an abundance but let's try to keep our curbs clean until the actual pickup week.

### **Back Park updates**

**Front park** - a good samaritan provided a new basketball hoop and we called 311 to safely install it.

**Back park** - We submitted a request for more shade over the play equipment but due to the proximity of trees and playground fall zone, we were not able to add a stand alone shade structure. However, the park district is planning to replace the current swing set with a swing that has a large shade canopy built-in - similar to the photo. It will have the same number and types of swings. PARD will re-use the current swing at another location. The order has just been placed for the swing so the replacement should be within the next 6 to 8 weeks.

# Recycle Reuse

## A message from our Zero Waste Block Leader...

Hey y'all! Today I want to talk about composting. Austin Resource Recovery (ARR) has had great success incorporating the green bins in many single family homes. They have seen lots of diversion of outdoor plant waste into these containers. Now, Austin is requesting its citizens to start adding more variety into their bins. Specifically, kitchen scraps. Adding kitchen scraps to the compost enriches the soil, reduces the need for hazardous chemicals, and encourages the breakdown of organic matter into rich nutrient-filled material.

The best way to collect kitchen scraps is in a small compost bin or a similar container. You simply add kitchen scraps and unwanted leftovers to the kitchen compost bin during the week, then take the collected scraps to your outdoor, green bin whenever it is full or before weekly collection. ARR gave me many countertop compost bins to share with the community. If you would like a kitchen bin or if you want to have a discussion about how to use them please contact me. I have included an infographic depicting the types of items that can go in Austin's green bin. One small note: please do not add large volumes of fat to your green bin.

Also in the next few months I will be collecting gently-used school supplies. If you are someone with a child that no longer needs school supplies from this past year please contact me. Also if you are a teacher who is in need of school supplies please contact me. I would like to facilitate an exchange of supplies to better improve teachers' lives and to prevent waste. More information to come in a future newsletter.
